

# Applejack

( Tekst & Musik : Dolly Parton 1977 )

C F C  
 He lived by the apple orchard - in this little orchard shack  
 F G7  
 His real name was Jackson Taylor - but I called him applejack  
 C F C  
 Now old applejack was loved - by everyone he ever knew  
 F C G7 C ( F C )  
 Applejack picked apples - but he picked the banjo too

*Chorus:*

C F C  
**Play a song for me applejack, applejack**  
 F C  
**Play a song for me and I'll sing**  
 C F C  
**Play a song for me applejack, applejack**  
 F G7 C ( F C )  
**Play a song, let your banjo ring**

C F C  
 Now I'd go down to applejacks - . . . almost everyday  
 F G7  
 We'd sit and we'd drink applejack - that old applejack had made  
 C F C  
 Then he'd take his banjo down - then hed ask me if I'd sing  
 F C G7 C ( F C )  
 And he would play the banjo - and I'd play my tambourine

*Chorus:*

C F C  
**Play a song for me applejack . . . . .**

**Instrumental:**

C F C  
Play a song for me applejack, applejack

F C  
Play a song for me and I'll sing

C F C  
Play a song for me applejack, applejack

F G7 C (F C)  
Play a song, let your banjo ring

C F C  
Thats when "I was just a kid" - and now that I am grown

F G7  
All I have are memories - old applejack is gone

C F C  
Oh but he left me his banjo - and it always takes me back

F C G7 C (F C)  
And everytime I play it - I still hear . . . applejack

*Chorus:*

C F C  
**Play a song for me applejack, applejack**

F C  
**Play a song for me and I'll sing**

C F C  
**Play a song for me applejack, applejack**

F G7 C (F C)  
**Play a song, let your banjo ring**

*Chorus:*

C F C  
**Play a song for me applejack . . . . .**

*Chorus:*

C F C  
**Play a song for me applejack . . . . .**
